

# Job Vacancy: Quality Technician

## About us:

Advanced Ltd have been designing and manufacturing life-saving products for over 20 years, protecting iconic buildings across the globe and the people within. Our team members are passionate, driven and up for a challenge.

We are a wholly owned subsidiary of Halma plc, a FTSE 100 listed company. Halma is “a market leader in specialist safety, health and environmental technologies” and has a purpose of ‘Growing a safer, cleaner, healthier future for everyone, every day”

## About this role:

Our team members are passionate, driven and up for a challenge. If you have ambition to make a difference, then please read on.

Internal audit of company processes and procedures to ensure right first time quality products to Advanced specifications and customer requirements.

Determine reasons for process and external non-conformances and assist in the implementation of and effectiveness of corrective and preventive action plans.

To participate in Advanced continuous improvement program to ensure delivery of quality products.

If you're excited by this opportunity, we'd love to hear from you! Please tell us about yourself by uploading your CV.

## Job location:

The Bridges, Balliol Business Park, Newcastle Upon Tyne NE12 8EW
